Sir

We have come to know that certain foreign financed IAS traitors in the Ministry of Electronics and IT (MEITY) and also the Dept of Promotion of Industry and Internal Trade (DPIIT) are acting at the behest of their Chinese paymasters to get eased an relaxed the current visa policy for allowing Chinese persons to visit India, ostensibly to install and maintain Chinese machines.

We, the members of the HINDU RAKSHA DAL unitedly and fully oppose any such foolish plan to ease the restrictions on Visas for Chinese persons until each and every square inch of BHARAT MATA illegally occupied by China and its Pakistan puppet is not returned to India.

Accordingly we the Hindus of Hindustan demand that MEA, MHA and IB / Border Management deny all visas to Chinese personnel to visit India on a tit-for-tat basis and also till Arunachal residents are given visas by China.

Herein fail not

sincerely

Dr. Rajendra Singh Dalvi
